In today's world, we are trying to keep up with the frenetic pace and are always searching for the purpose of life.

- Our spiritual compass points us to the 'Spiritual North', but we are also conditioned to pursue our worldly goals.
- How do we balance the seemingly opposite pursuits and yet be centered and realize the real purpose of life?
- What is the purpose of wealth and how do we use it wisely through the generations.

The discourse and the panel discussion will focus on some of these questions.
